Great casual game

It is updating now so I will review later. I am very pleased with the game. The graphics are very good for alternatives. Even though I play the regular version I would be happy to try this one.

Greetings, travellers!

We have a mega update! We're dropping some amazing additional content – the 1910 US Ticket Pack and 1912 Europa Ticket Pack! More Tickets and more game modes await!

Plus, we're pleased to announce Pass & Play mode has arrived on Ticket to Ride! Play local multiplayer with friends and family using just one device.

We also have a fantastic new feature rolling out for competitive players – Leaderboards! Now you can compare and compete with players around the world and see how your skills rank against theirs.

And finally, as always, this update comes with a host of bug fixes too!
